Sr. No.	Clause Reference	Clause Description	Query	Reply / Clarification
1.	Annex-III	Plan & Profile	In Plan & Profile Ground levels & FRL is missing between Ch: 548+000 to 548+800. Kindly provide updated profile.	The same has been uploaded on the website of UPEIDA viz. http://upeida.up.gov.in/en/page/ganga-expressway
2.		Canal Diversion	In authority provided structure drawings “Canal diversion” has been shown at minor bridge structure location. For more clarity of quantity consideration request to authority please provide the existing canal details and proposed diversion length at all location.	Actual ‘Canal diversion’ works shall be executed, if required, as per site conditions at the time of execution in consultation with Independent Engineer & Authority. No Change of Scope shall be considered for variation in length

The above clarifications shall be applicable mutatis-mutandis for the entire RFQ-cum-RFP document including Schedules and DCA.
